

Disability Programs and Resource Center (DPRC)

The DPRC collaborates with San Francisco State University's diverse community to ensure that all aspects of campus life—learning, working and living—are universally accessible. The DPRC provides the University with resources, education and direct services in order that people with disabilities may have a greater opportunity to achieve social justice and equity.

Every effort is put forth to ensure that students, faculty and staff with disabilities at SF State receive the services and accommodations to which they are entitled under federal and state law.

Generally, the campus community is sensitive to the need for reasonable accommodations. However, if an oversight occurs, please contact the DPRC to speak with a specialist as soon as possible. Professional guidance will be provided for resolving the oversight as quickly as possible.

SF STATE

Disability Programs and Resource Center

Social Justice and Equity through Universal Access

General Resources

The following DPRC resources are available to all students, employees and visitors with disabilities at SF State:

Accessible Event Planning

Use the DPRC checklist for planning an accessible event at SF State. The checklist, which you can download from access.sfsu.edu, is your guide to best practices in accessible event planning.

Access and Construction Alerts

Updates on campus construction, related temporary barriers, and alternate access routes via website and subscription email.

Deaf and Hard-of-Hearing Services

Sign language interpretation, real-time captioning, assistive listening devices, note-taking assistance, media access and advocacy for Deaf and hard-of-hearing students, applicants, employees and guests.

On-Campus Shuttle Service

Transportation to and from anywhere on campus. Please visit us at access.sfsu.edu for comprehensive information about our office and return to our site frequently for updated information about events and opportunities available for SF State students, faculty and staff with disabilities

Student Resources

Students with disabilities may be eligible for one or more of the following resources depending on the nature of the disability:

- ▶ Priority registration
- ▶ Exam and classroom accommodations
- ▶ Textbook and multimedia conversion
- ▶ Accessible technology commons access
- ▶ On-campus shuttle service
- ▶ Scholarship information

Employee Resources

Faculty and staff employees with disabilities may be eligible for one or more of the following resources depending on the nature of the disability:

- ▶ Job analysis/worksite assessment
- ▶ Reasonable accommodations
- ▶ Training/technical assistance on how to use reasonable accommodations and adaptive technology

For a full list of resources and accommodations available to SF State students and employees, visit access.sfsu.edu.

Instructional Resources

Faculty members are encouraged to consult with the DPRC staff on providing reasonable accommodations to students with disabilities. Faculty can also find useful teaching tips on our website, including:

Disability and Instructional Strategies

Learn strategies for working with students with various disabilities.

Faculty FAQs

Find answers to questions about providing reasonable accommodations to students with disabilities.

SF State ATI

DPRC has a team of staff members dedicated to the implementation of the CSU Accessible Technology Initiative, known on campus as SF State ATI. The initiative monitors accessibility of electronic information and technology on campus in these three areas:

- ▶ Instructional materials
- ▶ Websites
- ▶ Procurement

To learn more about SF State ATI, please visit sfsu.edu/access.
